RAFFLING at religious fairs seems to be carried to further extremes in England than in this country. The bishop of Manchester, in sermon, said that he had been in-formed that recently eight young men agreed to subscribe a sovereign apiece, and raffle for a five sovereign note, the remainder to go toward a charity fund. The result was that the charity gained five sovereigns and the young man who won gained four. This, he was told, was one of the latest devices for raising money for a charity, but he was afraid we were acting on a principle in connection with our charities which was spoken of by Horace who said, "Make money, honestly if you can but make money
